APPLICANT DETAILS		
Applicant's name: Elektro3 S.C.C.L. Address: Polígono Ind. Alba C/ Barenys Nº 21 43480 Vila-seca, Tarragona - Spain		
STANDARDS		
EN 60335-1:2012 + AC:2014 + A11:2014 + A13:2017 + A1:2019 + A14:2019 + A2:2019 EN 60335-2-9:2003 + A1:2004 + A2:2006+ A12:2007 + A13:2010		
DATE EVALUATION REPORT: 14-06-2022		
SAMPLE		
Trade mark / Model EDM PRODUCT / 07639	Test item description: Toaster 220-240V; 50-60Hz; 900W	Test sample EBP_SAFEIBIMQ220807
TESTS CARRIED OUT AND RESULTS OBTAINED		
TEST	RESULTS	
Leakage current	PASS The measurements of leakage current not exceed the limits established by the standard.	
Electric strength	PASS No breakdown shall occur during the test.	
The earthing connection	PASS The resistance calculated from the current and the voltage drop does not exceed 0,1 Ω.	
In no case these tests imply compliance or not with the aforementioned standard, since they are partial tests with restrictions regarding what the standard itself prescribes.
